## Osakabe Mashin's Profile

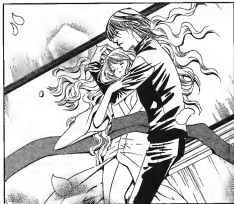

---

- Birthday: November 26 (Scorpio)  
Bloodtype: A
- Debut work: 「ずっと言えなかったこと」
- Love to play with dots, a fanatic collector
- my worst desk / I had actually planned to take this photo after I was finished with the draft, but unknowingly it turned out like this. Originally it was supposed to be normalized, but sharing space with the light box and the display case for my collection (it became so cramped, so I end up drawing manga endlessly in my little corner. As long as everyone enjoys reading my work, then I will be happy too
- Currently working in "Chess"

What...?

*Live by your-  
self? What do  
you mean!*

Arise...

*Well, sister is  
married now  
and will live at  
brother-in-law's  
place, right?*

*But you're  
still just a  
kid...*

*I... want to play  
at the home  
mom and dad  
lived at...*

Being by  
myself is so  
lonely...

But...

I don't want to  
give sister  
any more  
trouble, not  
have her  
worried..

I'm already a  
high school  
student, I'll  
be fine..

Really...

How should I  
say this?

We would like you to return the money that was previously borrowed.

Miss Miu.

Excuse me...

I'm sorry for having to disturb you while you are still in mourning, but...

But... That's... My sister is not home right now, I...

Umm...

Yes sir.

Drive faster.

We're almost there.

Mm...

I can  
shame  
like you

don't have  
the qualifica-  
tions to step  
past the  
doors of this  
house.

This person is the  
one I saw at Sister's  
wedding...

We're a per-  
fectly legal  
loan company.  
Don't butt in,  
kid, if you  
know what's  
good for you.

Why is he here?

Who is the  
one that  
doesn't know  
what's good  
for them...

Let me  
tell you  
right now.

If you treasure your lives, I suggest you leave right now.

It's THAT Wang Yuan...?

Wang... Wang Yuan?

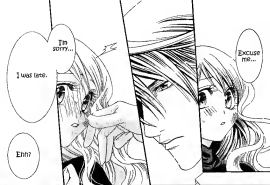

Standing right now, this house is a property of Wang Yuan Corporation.

Let's go.

This money... We'll accept it.

Your  
fiancee.

My name  
is Wang  
Yuan Zhi.

What-?!

Come  
on, get  
in the  
car.

Ah.

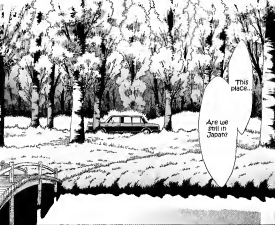

We're  
here.

Huh?

Where  
are we?

Um...  
What  
exactly  
is this all  
about?

Also... We  
already  
drove a  
while  
already.

THIS  
PAGE...

Are we  
still in  
Japan?

From now  
on you'll be  
living here.

What?

We're already on  
the mansion  
grounds. From  
here we will  
reach the main  
door in about  
ten minutes.

Since you  
look like you  
are dying to  
ask...

What?

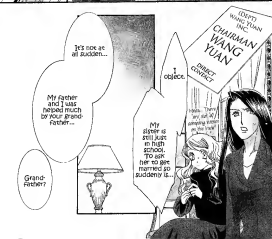

Screen

Arisa.

So, this  
is the  
young  
lady...

Still as  
lovely as  
before, I  
see.

It's not as  
sudden...

My father  
and I was  
helped much  
by your grand-  
father...

Grand-  
Father?

1  
object.

My  
sister is  
still just  
in high  
school.  
To ask  
her to get  
married so  
suddenly is...

Wah... There  
are not 40  
camping sites  
on the road!

It's  
good...

So I must  
help your

!

Please prom-  
ise me you will  
not hurt my  
younger sister.

I...

Does Ah  
Zhi himself  
agree to  
this?

Decided  
to agree  
to this mar-  
riage.

On my own.

*This guy.... wishes to.... Marry me....?*

*If we are married....*

*I will have to stay by his side....?*

What?

Living in  
such a huge  
house...

It's something  
I've never  
dreamed of.  
Sister, you can  
go ahead and  
enjoy your  
married life.

Arisa...

Excel-  
lent.

How about  
we take  
care of your  
changing  
you guys  
into same  
schools im-  
mediately?

!?

...One

The same  
school...  
That  
means...

1

I'm willing to  
marry him.

To actually  
come across  
this sort of  
encounter...

That guy...  
Although  
he doesn't  
say much,  
but he  
doesn't  
seem like a  
bad person.

Perhaps it is  
some sort of  
unfathomable  
"Fate".

Arisa...

Also decided by  
myself I  
want to be  
by his side.

I...

Even if you say so...

Besides, you are going to marry into my family, so there is no problem.

How bothersome. It's our tradition.

Isn't that an elite school only the wealthy can get in?

I'm not just hearing things, are I?

Li Aung...

Hey, listen carefully, we have to get our secrets straight before we get there.

You are my  
"relative" until  
I can marry you  
when I turn 20.

Of course, to  
keep from being  
questioned un-  
necessarily, we  
will keep the plans  
for marriage a  
secret from the  
school.

She's not  
even "re-  
lating".

Gasp...

Who is  
she  
riding  
with  
class-  
mate  
Wang  
Yuan?

Who is  
she..?

That  
girl...

For-  
get it...

(We'll talk  
about this  
again when  
the time  
comes.)

What...?

This guy is that  
popular with the  
girls...?

What's the relationship between Miyu and the student council president?

I heard you guys are not-tive.

Then what about you and Bai Feng?

Which club do you plan to join?

What gave me... Please?

He's been assigned to the same class as you. I'll leave everything to you, Bai Feng.

That is Bai Feng.

I understand.

Let's go. Our classroom is on this side.

Oh, Bai Feng... He's actually... really cute.

How's that... He's actually... really cute.

If I tried to explain it, I would have raised more questions and more misunderstandings.

I accept.

When...

I'm exhausted!

That's why I felt that if Lady Arisa and I kept a bit of distance in class, it would be more appropriate.

Hmm?

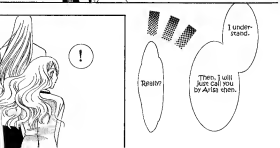

What's your name?

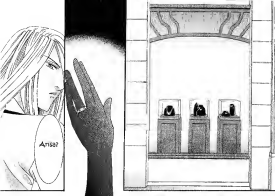

Lady.

Your name...

I believe I haven't asked...

Amisa?

That store doesn't allow  
anyone with-  
out prior ap-  
pointment to  
go inside.

On the way  
back from  
school we get  
to pass such a  
high class  
Jewellery  
store...

No wonder  
it's Li Dune.

Amaz-  
ing...

What  
is it?

What?

It's alright.  
I only wan-  
ted to take  
a look.

You've worked hard.

You may leave now.

Yes.

If a girl received a ring like that...

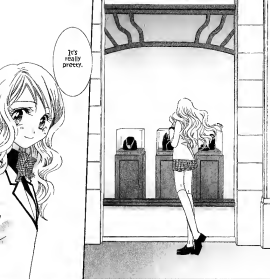

It would definitely be wonderful...

It's so pretty...

Is

I said I'm  
not lonely,  
it would  
be a lie...

RECENTLY

you must be  
lonely since  
you can't be  
with young  
master Zhi  
ofen.

.....

Besides, I have  
Lu by my side  
so it doesn't  
matter.

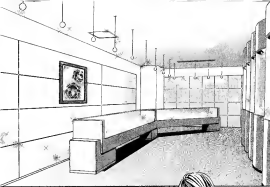

But it would  
only increase  
his worries if  
I told him  
so...

Is that so...

This ring...

!

This is...

I can't guarantee the size of the ring to be perfect.

We couldn't possibly mean to say that from the very beginning...

It was all for you...

Don't  
get me  
wrong.

let  
because

this is just  
proof that  
soon you will  
be mine.

Aah...

What  
ouch...

The time  
when you will  
wear another  
ring on top  
of this one.

What...?

My finger...

As...

From the  
spot with  
the ring.

You...

Will then  
belong to  
me.

My mind is floating...

Ah... I must have scared you...

Thank you for coming.

What should I do...

Can't seem to understand... what he is saying.

My body...

Mom... Dad...

Open  
the  
door.

I'm not really  
going to marry the  
extraordinary  
person, am I?

## Mashin Spirit

Hello, it's our first time to meet. I am Osakabe Mashin. Thank you for purchasing "Miss me after 9 o'clock". This series is completely different from my previous works. Every time I draw the draft I was a bit nervous and struggled with it. (laughs) Ack.. This is so embarrassing. The theme this time is "it's not possible to have a world like this. let's change the style of art and see." This story was actually a concept I had from long ago. At the time I wanted to draw it when I grow up, and indeed I made some changes. The only character that remained the same was Ying Yuan. Other characters like Ah Zhi and Arisa had different designs, faces, and names. However, Ying Wang, the monk, was the same as I originally planned. I had a lot of fun drawing this project. I would feel very fortunate if others were touched by this series. Thanks to everyone's support this is the 26th volumes of all manga that I have released. I will continue to work hard.
